

A1:

Proximity to each other, however...

earlier than val separate items. Items relating to other subjects

test:

be doing it together. Be together where you are, is good. When you are together, you are together.

## What Happens

start looking, what can do you have, where do

THE DAY

...you create a narrative, a narrative that is already a  
...book, a book of indices of information, a book of connections, a book of...

...the question should be, what can be de-emphasized? For Express  
...this is...

## Conferences

...herbs, trees
